

MMC Reports Fourth Quarter 2007 Results

Consolidated Revenue Increases 8 Percent to \$2.9 Billion Full-Year Consolidated Revenue Grows 8 Percent to \$11.4 Billion Consulting Segment Continues Strong Performance

Company Release - 02/12/2008 06:32

NEW YORK--(BUSINESS WIRE)--

Marsh & McLennan Companies, Inc. (MMC) today reported financial results for the fourth quarter and year ended December 31, 2007.

In the quarter, consolidated revenue was \$2.9 billion, up 8 percent from the fourth quarter of 2006, or 2 percent on an underlying basis, which measures the change in revenue before the impact of acquisitions and dispositions, using consistent currency exchange rates. Income from continuing operations was \$90 million, or \$.17 per share, compared with \$168 million, or \$.30 per share, in the fourth quarter of 2006.

Net income, including discontinued operations, was \$85 million, or \$.16 per share, compared with \$226 million, or \$.40 per share, last year. Noteworthy items, described in the attached supplemental schedules, reduced earnings per share by approximately \$.07 in the fourth quarter of 2007, compared with an increase of \$.01 in the fourth quarter of 2006. Additionally, incremental costs associated with the departure of MMC's former CEO negatively impacted earnings per share by approximately \$.02 in the fourth quarter of 2007.

For the year 2007, consolidated revenue was \$11.4 billion, an increase of 8 percent from \$10.5 billion in 2006, or 4 percent on an underlying basis. Income from continuing operations was \$538 million, or \$.99 per share, compared with \$632 million, or \$1.14 per share, in 2006.

Income from discontinued operations, net of tax, was \$1.9 billion, or \$3.54 per share, compared with \$358 million, or \$.62 per share, in 2006, reflecting gains on the Putnam transaction in the third quarter of 2007 and the sale of Sedgwick Claims Management Services in the first quarter of 2006. Net income in 2007 was \$2.5 billion, or \$4.53 per share, compared with \$990 million, or \$9.90 per share, in 2006.

an increase of 16 percent; health and benefits, \$188 million, or 10 percent growth; outsourcing, \$197 million, grew 17 percent; and talent, \$126 million, increased 14 percent.

development and performance of our services and products; market and industry conditions, including competitive and pricing trends; changes in the composition or level of MMC's revenues; our cost structure and the outcome of cost-saving initiatives; dividend policy and share repurchase programs; the expected impact of acquisitions and dispositions; pension obligations; cash flow and liquidity; future actions by regulators; the outcome of contingencies; the impact of changes in accounting rules; and changes in senior management.

Forward-looking statements are subject to inherent risks and uncertainties. Factors that could cause actual results to differ materially from those expressed or implied in our forward-looking statements include:

- our ability to achieve profitable revenue growth in our risk and insurance services segment by providing both traditional insurance brokerage services and additional risk advisory services;
- our ability to retain existing clients and attract new business, and our ability to retain key employees;
- the impact on risk and insurance services commission revenues of changes in the availability of, and the premiums insurance carriers charge for, insurance and reinsurance products, including the impact on premium rates and market capacity attributable to catastrophic events such as hurricanes;
- the impact on renewals in our risk and insurance services segment of pricing trends in particular insurance markets, fluctuations in the general level of economic activity and decisions by insureds with respect to the level of risk they will self-insure;
- revenue fluctuations in risk and insurance services relating to the effect of new and lost business production and the timing of policy inception dates;
- the impact of fluctuations in the value of Risk Capital Holdings' investments on profitability in our risk and insurance services segment;
- the impact on our consulting segment of pricing trends, utilization rates, legislative changes affecting client demand, and the general economic environment;
- our ability to control expenses and achieve operating efficiencies;
- the impact of competition, including with respect to pricing and the emergence of new competitors;
- the economic and reputational impact of litigation and regulatory proceedings described in the notes to our financial statements;
- our exposure to potential liabilities arising from errors and omissions claims against us;
- our ability to meet our financing needs by generating cash from operations and accessing external financing sources, including the potential impact of rating agency actions on our cost of financing or ability to borrow;
- our ability to make strategic acquisitions and dispositions and to integrate, and realize expected synergies, savings or strategic benefits from, the businesses we acquire;
- the impact on net income of foreign exchange and/or interest rate fluctuations;
- changes in applicable tax or accounting requirements, and

potential income statement effects from the application of FIN 48 ("Accounting for Uncertainty in Income Taxes") and SFAS 142 ("Goodwill and Other Intangible Assets"); and

- the impact of, and potential challenges in complying with, legislation and regulation in the jurisdictions in which we operate, particularly given the global scope of our businesses and the possibility of conflicting regulatory requirements across the jurisdictions in which we do business.

The factors identified above are not exhaustive. MMC and its subsidiaries operate in a dynamic business environment in which new risks may emerge frequently. Accordingly, MMC cautions readers not to place undue reliance on its forward-looking statements, which speak only as of the dates on which they are made. MMC undertakes no obligation to update or revise any forward-looking statement to reflect events or circumstances arising after the date on which it is made. Further information concerning MMC and its businesses, including information about factors that could materially affect our results of operations and financial condition, is contained in MMC's filings with the Securities and Exchange Commission, including the "Risk Factors" section of MMC's most recently filed Annual Report on Form 10-K.

Notes

- (a) Primarily includes severance from restructuring activities and related charges, costs for future rent and other real estate costs, and fees related to cost reduction initiatives. Amounts for the three and twelve months ended December 31, 2006 include a \$74 million gain on sale of certain floors in MMC's headquarters building.
- (b) Reflects legal fees arising out of the civil complaint relating to market service agreements and other issues filed against MMC and Marsh by the New York State Attorney General in October 2004 and settled in January 2005, and indemnification of former employees for legal fees incurred in connection with the events of October 2004.
- (c) Represents an accrual adjustment related to the separation of former MMC senior executives.

The above schedules exclude incremental costs of \$14 million recorded in the fourth quarter of 2007 related to the departure of MMC's former CEO and \$13 million related to the departure of Marsh's former CEO recorded in the third quarter of 2007.

On January 31, 2007, MMC entered into a stock purchase agreement with Great-West Lifeco ("GWL"), a financial holding company controlled by Power Financial Corporation, pursuant to which GWL agreed to purchase Putnam. The transaction closed on August 3, 2007. The gain on the transaction and Putnam's results of operations are reported as discontinued operations in MMC's consolidated statements of income. The amounts reported in 2007 include Putnam's results through August 2, 2007.

In 2006, MMC sold its majority interest in Sedgwick Claims Management Services; Price Forbes, its U.K.-based insurance wholesale operation; and Kroll Security International. The net gains on these disposals, as well as their results of operations, are reported as discontinued operations in MMC's consolidated statements of income.
